

I am your trusty sword,  
make sure to keep me near.  
Go to where you wash your hands  
and glance in the mirror.

Mirror mirror on the wall,  
well you know the rest.  
Take a walk to where  
watching movies is best.

Don't get too cozy  
staring at the huge screen,  
take a venture  
to where our clothes get clean.

It's not time to do laundry,  
no chores today.  
Go to where Princess Cadence  
likes to lay.

No dragon here,  
he hasn't been seen in a while.  
Oh no, look out!  
Use your sword  
to get Evil Crocodile!!!!

You defeated Evil Crocodile!  
Hip hip hooray!  
Now see if Dragon is where  
Kyrie likes to play.

Dragon played with some toys  
and then decided to roam.

Go to where Baba  
charges his phone.
